Kentucky Libraries Unbound: eBooks

How to Check Out, download, & transfer Adobe EPUB & PDF titles

The Calloway County Public Library is pleased to offer library patrons the ability to download free eBooks through Kentucky Libraries Unbound, a consortium of Kentucky Public Libraries powered by OverDrive. CCPL card holders can check out and download eBooks anytime, anywhere by visiting www.callowaycountylibrary.org web page. Patrons may select the Kentucky Libraries Unbound tab and then click on the OverDrive Logo. There is also a Kentucky Libraries Unbound tab located on the LS2PAC page.

How EBook Lending Works

- EBooks work like normal library books. We have a digital "copy" of each book.
- If a copy is available, you will be able to add it to your cart, check out, and download the book.
- If all copies are checked out, the status for the eBook will read "place eHold" indicating that you need to wait for an available copy.
- eBooks automatically expire after the check out period (7-21 days). However, you may check them back in early if you wish.
- You may have 10 items out from Kentucky Libraries Unbound at any time. This includes eBooks and audio books.
